

Legal & General Mixed Use Development

Work Sector Mixed Use/Office/Retail
Client Legal & General
Location Oxford Street, London
Cost £22 million
Date of concept 2003

This proposed mixed use development on the corner of Oxford and Derring Street is designed to provide world class retail and office space on a world class shopping street.

Comprising of three floors of office space and three floors of retail, the scheme offers light, airy accommodation with high ceilings, column free floors and large open glazed frontages. The development also includes five 1 bedroom apartments.
